

Walking for Health Telford and Wrekin AGM 2020 Coordinator's Report

We currently have 354 walkers on the database who have walked with us at least once in 2020.

It has been an unprecedented year given the current climate and we have seen a drop in walkers. The committee have done all they can to publicise and support these walks to help boost numbers. It must be disheartening to turn up and have no walkers.

We currently have 77 volunteers, walk leaders and backmarkers but unfortunately within that number are a few who do not lead walks or even offer to help in an emergency.

It has been a pleasure to welcome 5 new walk leaders.

This year Alf Clews who has been a walk leader in Telford and Wrekin for the past 18 years is leaving the area. Thank you, Alf, for all your help and support.

I would like to thank all the walk leaders for their support during this difficult year.

I would like to thank Peter Thomas, Tony Griffiths, Malcolm Skelton, Naomi Wrighton and Chas Kay for the extra support given since walks restarted in July. Without their support my role would have been exceedingly difficult.

I would also like to congratulate Iris Warnock on her achievements this year. During lockdown Iris completed the T50 trail with Chas Kay and I.

Lynne E Kay
